

## BECOME A CIRCLE OF PROMISE AMBASSADOR

Each of our Ambassadors has a passion for the cause. These leaders in the fight all answered the call to action for a reason. Will you consider joining us?

Circle of Promise is a breast cancer resource and awareness program that further engages black women and men in the fight against breast cancer. Collectively, initiatives under Circle of Promise seek to motivate and empower the black community by mobilizing women and men to get active about their breast health and involved in the larger community, encouraging others to do the same.

**For more information or to submit your Ambassador Application online, visit
